Dear Paul,

Contract RFT 10/2014 – FASCINE COMPLETION PROJECT

I write this letter of reference for In-Situ Contraction & Maintenance with great pleasure.

In-Situ provided Design and Construction on our recent project for the revitalisation of the Fascine foreshore, which included three floating jetty structures, the refurbishment of the existing T-jetty, outside bespoke furniture, exercise equipment, shade shelters and major landscaping. The project was delivered on time, within budget and to the Shires expectations.

The Shire wishes to pass on its thanks to you and your staff for their efforts and assistance in completing the contract with a minimum of fuss and delivering a great asset for the Carnarvon Community.

We wish you all the best for the future and hope to have the pleasure of working with In-Situ again in the near future

Yours sincerely

Ian D'Arcy
CHIEF EXECUTIVE OFFICER
